PACKAGES

Director's Mix

While the Artistic Director Carla van Zon would, of course, like you to see all the shows she has handpicked for this Festival, she has put together a selection of events for you "to try some new things, the more hidden gems - the surprises - and still get a well-rounded Festival experience".

Multimedia Mix

Calling all multimedia buffs - this package has been designed with you in mind. These shows use technology on stage to tease and intrigue audiences and will leave you asking: how DO they do that?

Young Explorer

New to the Festival and not quite sure where to start? The Young Explorer package covers a range of art forms, physical theatre, popular music and multimedia with an edge. Performed by exceptional international artists and outstanding New Zealand talent, the shows in this package will give you Festival fever.

On a Shoestring

On a budget, but don't want to miss out? Presenting the world's best performers in New Zealand is an expensive undertaking. These packages will give you access to the world's best on a shoestring.
